

## PUBLISHING COUNCIL

The Publishing Council of the WSB-DSW Merito Scientific Publishing House is responsible for shaping the publishing policy and establishing the strategic directions of the WSB-DSW Merito Scientific Publishing House. It oversees the implementation of the publishing plan and ensures that publications meet the highest scientific standards.

The main responsibilities of the Publishing Council include:

- reviewing the draft annual publishing plan,
- reviewing publishing proposals (particularly monographs and collective publications),
- approving papers for external review,
- overseeing compliance with standards of publishing ethics and the scientific quality of publications.
- reviewing:
  - publishing plans prepared and submitted by the Editor-in-Chief of the WSB-DSW Merito Scientific Publishing House;
  - reports by the Editor-in-Chief of the WSB-DSW Merito Scientific Publishing House on the implementation of the publishing plans;
  - calculations of the costs of publishing individual publications prepared by the Chairman of the Publishing Council of the WSB-DSW Merito Scientific Publishing House;
  - periodically reviewing publishing series and ongoing publications;
  - undertaking publishing initiatives.

The Chairman of the Council is responsible for:

- coordinating the work of the Publishing Council;
- ensuring the editorial quality of publications published by the WSB-DSW Merito Scientific Publishing House.
